

TEE EM UP

March 04, 2021

Well, here it is the last month of golf and only a couple more weeks until spring. Can I get a YAAA for us gals up in the frozen north!! I sure hope when this time next year rolls around we'll all be together getting ready for the Spring Banquet.

Congratulations to Deena Burns for a hole in one on Hole 6 with a 7 wood on December 23!! Can you believe we've had two in one year?? That's awesome!!

It was brought to my attention that some of you ladies are thinking that you really didn't get anything out of the club for the membership paid. That's true and we have to remember this is an unusual year because of COVID. Please remember that \$20.00 goes to the Pro Shop for organizing the Games of the Day and paying out. We get to keep \$10.00. It was decided by the Executive that all the members that golfed this year will get a \$10.00 credit towards next years membership. We will keep track for you.

Speaking of Executive, because we all can't be together, it was decided that the Executive for next year will stay as is: Connie Mitchelmore – President, Cindy Mersky – Vice President, Jean Hemmen – Treasurer, Secretary – Judy Brown, Betti Haakstad – Past President. We're hoping to fill the Pins and the Ringer Board positions. Thanks Marlane for doing pins this year and you're certainly welcome to keep on doing them!

Here's to us all being together next year and celebrating another successful golf season!

Have a great month and happy golfing!

Connie
