

View Point Ladies Match Play 2023 (16 X 2 Person Teams)

Emphases for this year is on fun and fellowship

1. This is a team event of two players at a cost of \$10/team. Should someone wish to register as a single player (\$5), we will attempt to find a partner for you.
2. Registration envelopes are available at the Pro Shop beginning December 15th, and entries can be deposited in the Ladies Drop Box. Registrations will be awarded to the first 32 teams entered (first come... first served). Sign up deadline is January 3, 2023. **REGISTRATION IS NOW CLOSED.**
3. Everyone will play to their own handicap as recorded on the day of the Match Game. The maximum individual handicap is 36.
4. Please make your own arrangements for each Match Game.
5. A Match is won when one team leads by a number of holes greater than the number of holes remaining to be played.
6. If teams are tied at the end of their Match, the teams will go back to their first hole and will continue to play until a team wins outright.
7. Teams are to schedule their Matches outside of the regular Tuesday Ladies League.
8. All Matches **MUST** be scheduled and played within the designated draw timetable. Check the **"2023 Ladies League Match Play"** draw for deadlines.
9. Teams are responsible to post the results of their Match Game on the draw which will be posted in the ladies bathroom.
10. If a spare player is required, they must be a registered member of the VP Ladies 18 Hole League and have a handicap that is no more than + or – 5 handicap points of the person they are replacing. The score card must be adjusted accordingly based on the spare's handicap.
11. Rules of play:
 - a. Each team can concede a hole at any time by giving a putt to the opposition.
 - b. Players should not hit out of turn unless the other team allows.
 - c. If you win the hole your team has the honours on the next tee.
 - d. Please be aware of your speed of play.
12. Posting of your Match Play game score **Please note this format has been changed for this year.*
 - a. If a player has completed and played (in regulation) all 18 holes they are encouraged to post their score in the View Point Ladies Handicap Posting.
 - b. The View Point Ladies Match Play is an internal "fun" league event and therefore players who did not "hole out" or did not play all 18 holes, it **is not** necessary to enter your score in the View Point Ladies Handicap Posting. We recognize this exception may not comply with the USGA website at [USGA.ORG | The official home of the United States Golf Association](https://www.usga.org/) Rule 3.3, Rules of Handicapping. The Executive, and Pro Shop Management are in agreement with this simplification.
