

Interested in joining the Ladies 18 Hole League?

If you are a lady resident of ViewPoint, you are eligible to join our Ladies 18 Hole Golf League. Our league has members of all levels and golf abilities. We play on Tuesdays November through to April. Our assigned tee times begin at 8:00 am for November and December with 8:00 am shotgun starts beginning in January as determined by the Pro Shop. If numbers of participants and interest warrant it, the additional option of a 1:00 pm shotgun may be offered. Additional details regarding start times will be provided to League members as the season progresses.

Our golf season generally includes social activities, a match play tournament, Club Championship tournament and year end banquet in March and so much more. New members will have a "Buddy" assigned to them who can introduce them to the League and the 'Spirit of the Game.' We would love to have you join us!!!

Registration information is available at the ProShop. Annual dues are \$35.00, and we pay \$2 each week for the game of the day and an optional \$2.00 deuce pot/\$2.00 Gross Skins/\$2.00 Net Skins are also available. We look forward to having you join us and enjoying a round of golf.
