**November 21<sup>st</sup>, 2024**

Welcome to our new Members and Welcome to our returning Members that have recently arrived back to ViewPoint. Our League membership is growing, and the weather is cooperating.

**Nov 26 – Game of the Day – “Team Game”**

Diamond/Hearts/Clubs/Spade -- The first player on card is diamond, second is hearts....etc.

At the bottom of your official score card write “Team Score”

- For hole 1, 5 & 9 use the first players score (the Diamond) for your team score
- For hole 2 & 6 use the second players score (the Heart) for your team score
- For hole 3 & 7 use the third players score (the Club) for your team score
- For hole 4 & 8 use the fourth players score (the Spade) for your team score

~ If a team has 3 players, leave hole 4 & 8 blank & the ProShop will randomly assign a score for the 4<sup>th</sup> member of your team.

~ Record a "Team Score" on the bottom of the official score card in addition to recording everyone's individual score
