League play continues for members that choose not to play in the League Championship Tournament

NOTE: Feb 4th, 11th & 18th - everyone with the intention of golfing on these dates need to signup online (both Championship tournament players & members not playing in the tournament)

More details on League Championship Tournament can be located by clicking on the following link [Championship Information "Click Here"](#)

Feb 4th – Game of the Day - Low gross & Low net flighted – Record your score as you normal would for each hole... (No Guests) this is the First round of Club Championship Tournament ...

Pace of Play / Golf Etiquette Reminder - Hole #6 Ground under repair

Hole #6 will have a white circle (at the first hole/grass bunker to the left of the green) identifying the area as "Ground under repair". If your ball lands within this circle or on the white line, you can take relief – **No Penalty** applies.

How to take Relief - Move your ball within one club length from the edge of the white circle to the nearest point of relief & no closer to the hole.

Championship players - Before moving your ball, one of your playing partners must confirm you qualify for relief & agree with the location/area of relief selected.

1. Use any club (with the exception of your putter) to measure your relief area – mark the end of the relief area (use Tee or ball marker), then remove your club.
2. Within the relief area, hold your ball just below your knee & drop it ...
 - a. If the ball rolls outside the relief area, it must be dropped again.
 - b. 2nd drop ball still does not stay within the relief area – the ball must be placed on the spot where it hit the ground when it was re-dropped.

NOTE: This relief only applies to your ball resting within the white circle or on the line of the white circle, you do not receive relief if your stance or swing crosses the white circled line.

Fundraiser Raffle – Contact Darlene to pick up &/or drop off fundraiser raffle ticket books. (unit 1824) or call/text 587-876-8721

Tickets are only \$2 each – there are 10 tickets to a book. Opportunity to win a 20-hole punch card for the VP Executive Course

Members that have not picked up a book of tickets yet, please contact me to arrange pickup. We only have 11 books left to sell – Ticket sales end on February 26, 2025

Course condition update:

Pin placement = apparently there is no rule about where on the green the pin/flag can be placed. I apologize to the members for indicating there was a rule regarding pin placement.

However, Frank has agreed to request the maintenance staff be more mindful on where they place the pin/flag on the greens.

Water Hazard on Hole #6

The following story is fictional:

The trial to create a water hazard on hole # 6 went tragically wrong this last Tuesday. Many key questions remain unanswered – for example, water flow management was clearly out of control with no contingency plan in place to handle the excess water. Please take comfort in knowing this trial has been cancelled, sun & warm weather has been ordered to dry the fairway and all pending/future requests for rain has been canceled.

Thank you for your understanding ...

2024/2025 Season

There's no water hazard, it's just a liquid sand trap.
