Tee'Em Up 9-hole Ladies League
October 3rd, 2026

The 2026-2027 ViewPoint golf season (November to March) is just around the corner and your new Executive would like to ensure that you have all the information (and encouragement) you need to join us again for another wonderful season of golf, fun and friendship.

Registration is now open and Welcome packages are available in the Pro Shop. Unfortunately, the course is closed for most of October but plan to drop by when it's open again to pick up a package. Our first league date is November 3rd and we would love to see you out there to help us start the season! We have a fun-filled season planned - have a look at the attached **Game of the Day** schedule. As well, we have a few "theme" days which were a big hit last year so we're going to do those again when we have our luncheons - November 17th, December 8th and January 12th.

November 17th - **"9 to 5 - A Dolly Parton Tribute"**. Show off your best "Dolly" look - could be the hair, the nails, the rhinestones or "whatever you want to show off"! This is our **Welcome Back** lunch, so bring your appetite, get ready to see some old friends, meet some new ones and strut your best Dolly!

December 8th - "Tis the Season". Celebrate in style - wear your festive hat, decorate a t-shirt (or more), make Santa proud!
Our **Holiday Potluck** is a perennial favorite with lots of excellent food and so much fun for everyone!

January 12th - "Take a Chance!" Dig deep into your closet and pull out those Glam Rock, Disco or ABBA outfits! Think sparkly, swishy, and colorful.
We will have our **Winter Welcome Back** lunch and kick off the second half of our season!

A huge part of playing golf is the friendships we make while we're having fun trying to hit a little white (or some fancy color) ball around a field with a stick. Sadly, we lost one of our good friends this summer. Marie Jauncey was a valued member of our league for over 10 years. She served as League President during the 2022-2023 season and as Past President during the 2023-2024 season.

Marie was always willing to give her time, friendship and support to our league and its members. Her warm smile, kindness and presence will be greatly missed by all who had the pleasure of knowing her. Marie peacefully passed away in June at the age of 80 at her home in Toronto, Ontario. She will be remembered very fondly and deeply missed by her ViewPoint golf family.

If you have any questions regarding the 2026-2027 Ladies 9 Hole Golf League, please reach out to one of your Executive team members.
